

## West End Workshop

This week we had a visit from the Westend Dance Workshop who came to school to deliver dance workshops to all year groups. During the workshop each class focussed on a specific book, and brought the book to life through dance. The children really enjoyed these sessions and showed great enthusiasm.

*'We really enjoyed sharing the story of The Butterfly Lion through dance.'*

*'Dance is a great way to show emotions that are sometimes difficult to write.'*

*'I really enjoyed using drama to tell a story'*

## Year 5 Mosque Visit

On Monday, year five visited a Mosque. We have been learning all about the religion Islam in RE this term, so it was a great opportunity for us to ask any question to the Imam about what we've learnt. We found out that Muslims pray 5 times a day and in the direction of their holy city Makkah. We had a great time!

### End of school Day

Please be reminded that school finishes at 3.15pm, and lessons do continue until the end of the day. Please try to refrain from collecting your children early from school as this causes disruption to the whole class. We do understand sometimes it's difficult to get an appointment outside of school hours. If this is necessary to do so, please bring evidence of the appointment.

## REMINDER

### World Book Day

World Book Day is on the 7th March, children are invited to dress up as a character from a story book. Order forms for the Author need to be in no later than Tuesday 5th March. Thank you.

# Year 2 London Visit

As part of our topic 'Landmarks of London', the year 2 children had an early start on Tuesday for their school trip visiting the dizzy heights of London. The children's excitement kept them going throughout the long bus journey, arriving on the Southbank with twenty minutes to spare.

We stepped on board our boat, that cruised up and down the river Thames. Our very own tour guide pointed out all the famous buildings (explaining the history behind them) as we ate our lunch. We spotted Big Ben, Houses of Parliament, The Gherkin, The Sharde and managed to get a fantastic close up of HMS Belfast and the Tower Bridge to name a few!

Once we finished our river cruise, we had a short walk to embark on our next adventure, The London Eye! Here the children could take in the impressive views across London from 135m high in the air. We were able to listen to the recorded tour guide and spot different landmarks such as Buckingham Palace, Westminster Abbey, St Paul's Cathedral, and the Jubilee Gardens. The children had a wonderful time taking in the breath-taking sights!

Soon after, it was back on the coach where we stopped off at Oxford Services for a very well-deserved Burger King!

All the children had a fabulous time and enjoyed themselves. They were a pleasure to take and represented Captain Webb admirably displaying all our values and ethos.

**A Parent's Guide to Fake News**

IT'S ON! THE INTERNET! SO IT'S TRUE! BE TRICKED!

Don't believe everything you see online! Without parental guidance and support.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
